

WW128 - LED WALL WASHER

Horeca Light Technology

UNITECH
DIGITALMEDIA

WW128 WW series

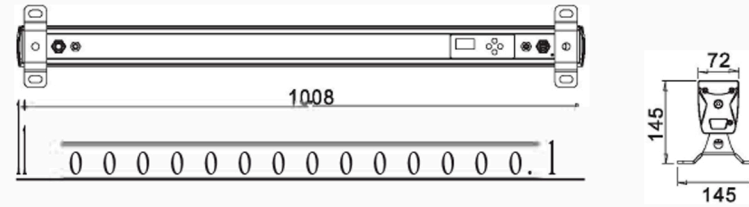

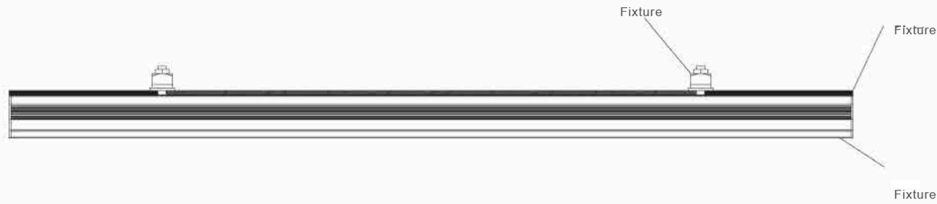

Unique design. surface smoothing without screw

Apply specific technical advantages, implement product series development

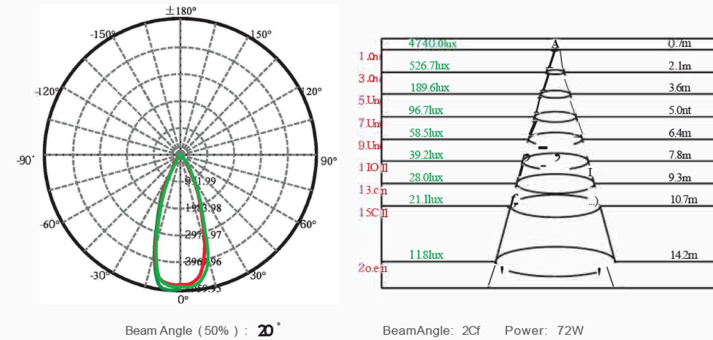

5w RGBW 4-in-1 LED

High brightness, pure color

Installation

Light Distribution Curve

Specification

Item Number	LED Qty	Color Temperature	Beam Angle	Input Voltage	Rated Power	Control	Material	Optional accessories	IP Grade
WW128	16PCS	RGBW	20°/40°	AC100-240V	72W	DMX512	Body: Aero-aluminum molding Dial Cap: Pressed aluminum 4mm High transparent tempered glass 304 stainless steel stand and screw	Barn door/ Anti glare grille	IP65
WW128CW	16PCS	6000K	20°/40°	AC100-240V	72W				
WW128WW	16PCS	3000K	20°/40°	AC100-240V	72W
